

FIZ

● Advocacy and support for migrant women and victims of trafficking

For the dignity and rights of migrant women.

FIZ Makasi Victim Protection

Makasi offers comprehensive support and assistance to women who are affected by human trafficking.

- Crisis intervention and psychosocial counseling.
- Information concerning residency matters and victim support.
- Counseling and escort in legal proceedings.
- Organization of legal, financial, and medical support.
- Safe housing.
- Assistance with integration in Switzerland and with a voluntary return to country of origin.

**Our counselors speak many languages. If necessary we work with translators.
We advocate for and support women – confidentially and free of charge.**

FIZ Counseling for Migrant Women

FIZ offers counseling for migrant women.

- Available for migrant women in the canton of Zurich, who are affected by violence and exploitation, have problems with residency permits, and/or work in the sex industry.
- Psychosocial counseling.
- Information on legal frameworks.
- Support in asserting rights and interests.
- Contact with and referral to additional support services.

FIZ Expertise and Advocacy

FIZ provides information, sensitizes and offers professional training.

- Further education and professional trainings for authorities and professionals.
- Awareness-raising for the public.
- Information for politicians and the media.
- Networking and cooperation with governmental and non-governmental stakeholders at a national and international level.
- Committee work.
- Participation in international monitoring processes.
